Tasting Notes – Swirling releases intoxicating aromas that illustrate hot summer days in the vineyards -- garrigue, freshly turned earth, followed by black cherry and a white pepper compote. Anisette and lavender along with freshly cracked pepper dance on your palate, intertwining with black cherry and subtle crème brûlée notes.

“The majority of this blend comes from Fess Parker’s and Ventana vineyards. Both of these vineyards remind me of the Northern Rhône and are intense in their own right. The addition of the elegant Musci Vineyard Syrah and a powerful Petite Sirah bring out complex dimensions that really pull the wine together.” – Jeff Cohn
