

## 2007 Time Capsule

Proprietary Red Blend

Rockpile Vineyard Syrah, Stagecoach Vineyard Syrah,  
Eaglepoint Ranch Vineyard Petite Sirah

**Appellation:** California

**Production:** 125 Cases

**Alcohol:** 15.5%

**Retail:** \$50

**Tasting Notes:** Aged in 100% new 500 liter Seguin Moreau French oak barrel for 43 months this 2007 vintage is an equal blend of Rockpile Vineyard Syrah, Stagecoach Vineyard Syrah and Eaglepoint Ranch Vineyard Petite Sirah. Aromatically this wine is so perfumed it slowly swirls from the glass to permeate the room. Black, blue, and some red fruits intermingle with creamy vanilla, hints of smoke, mocha and brioche along with roasted earth, hints of black licorice and exotic spices. The palate is so concentrated, precise and intriguing; this wine explodes and coats each part of your mouth as if it were being rolled on with a paint roller. Decadent, rich and amazingly concentrated, this wine is still just beginning to show its potential.

**Pair With:** Roasted leg of lamb, beef ribs, charcuterie, wild boar or braised rabbit, roast chicken or rib-eye on the grill. Lay this wine down 2 to 20 years or just take the experience now, there are no rules.

*"Dedicated to my Brother-in law Phil who has worked by my side during Harvest for the last 11 years, he has not only made Harvest that much easier for me, but that much more Fun! Thanks Phil, this one's for you. 'Why did we barrel age this wine for so long?' has been asked many times, and I will respond, 'Why not?' If I do not experiment I will never achieve greatness. At this time, I'm still striving towards that goal and with this wine I feel one step closer. In all seriousness, one reason to do this was to see what would happen when I put 3 of my most intense wines together, age them in a large format barrel to mellow out and become a true marriage of aromas, flavors and textures. Well, after 43 months we felt we had the perfect balance; it was time to bottle."*

- Jeff Cohn

*"A rich, extracted, expressive effort, with smoky-toasty oak, cola and beet root earthiness that picks up dried berry and espresso, gaining depth and traction on the finish. Syrah and Petite Sirah. Best from 2014 through 2024. 125 cases made." J.L.*
